

**Peculiarly manufactured or rebuilt produce ,  
Permissible into the mainland**

**Decree No. 20586T/56947 Dated 6,1,1999**

Manufacturing units located in Free Trade-Industrial Zones and Special Economic zones who based on the order placed to them, manufacture or rebuild products with special data specifications with no serial number and mass production manner and marketing procedures, can transfer the total 100% of the produced goods into the country, provided that, the goods thereto, at the discretion of value added commission (subject of the Decree No. K16003T/52173 dated, 1,7,1995), should have created at least 70% of the added value. The mentioned commission shall determine on the kind and specifications of those products, which get importing permit. The imports duties and commercial benefits imposed on the raw materials and imported parts consumed in manufacturing of mentioned products shall be collected in accordance with the relevant regulations.
